MATCHDAY

SATURDAY, 9TH MAY

DARBY WAY

Welcome to the Taunton & District Youth Football League Cup Finals

A very warm welcome to all players, coaches, officials, and spectators to this year's League Cup Finals. We are thrilled to gather here for a fantastic showcase of youth football, celebrating the hard work and talent of our local teams.

A Special Thank You

We want to extend our sincere gratitude to Bishops Lydeard AFC for hosting us at their excellent facilities. Providing our young players with the opportunity to play at such a venue makes the day truly memorable.

We also want to recognise our lead partner, HO Soccer, and all our dedicated league sponsors. Your continued support is vital to providing a high-quality footballing environment for all our participants.

Congratulations to the Finalists

Reaching a cup final is a magnificent achievement. To all the teams competing today: congratulations. You have shown resilience, skill, and teamwork throughout the season to earn your place on this pitch. Regardless of the final score, you should be immensely proud of your journey.

To Our Supporters

To the families, friends, and volunteers in the stands: thank you for attending. Your encouragement from the touchline is the heartbeat of youth football. Thank you for the countless hours spent driving to matches, washing kits, and supporting these young athletes in their passion for the game.

"Football is about more than just the result; it's about respect, teamwork, and enjoyment."

We wish everyone an incredible day of competition and sportsmanship. Let's make this a day to remember!

Enjoy a great day of football!

The Best Seat in the House: Why Your Next Move Should Be into the Middle

As the tension rises and we prepare for today's whistle to start this cup final, it is easy to forget that the twenty-two players on the pitch aren't the only ones essential to the magic of the game. Behind every great match are the referees—the people who ensure fair play, manage the pulse of the game, and keep the spirit of football alive.

Have you ever considered trading your boots for a whistle? Whether you are a lifelong fan, a former player, or someone looking to give back to the community, refereeing offers a unique and rewarding way to stay at the heart of the action.

Why Step Up to the Mark?

Becoming a match official is more than just enforcing the laws of the game; it is a pathway to personal growth and a deeper connection to the sport we love.

- **Stay in the Game:** If injury or retirement has sidelined your playing days, refereeing is the perfect way to remain physically active and involved in the competitive environment of match day.
- **Build Lasting Connections:** The refereeing community is a tight-knit one. You will forge new and lasting friendships with colleagues, mentors, and club officials across the region.
- **Enhance the Player Experience:** You play a key role in ensuring players, coaches, and spectators have a safe, fair, and positive match day experience.
- **Opportunities for All:** Refereeing is truly inclusive. There are pathways available for everyone, regardless of your background or previous experience in football.

Your Journey Starts Here

Every official you see today started exactly where you are now—with a passion for football and a desire to contribute. Refereeing develops leadership, boosts confidence, and provides a perspective on the game that you cannot get from the stands or the touchline.

Ready to take control?

The next generation of officials starts with you. To find out more about local courses, training, and how to begin your journey, please reach out to your County FA or scan the QR code

Enjoy the final, and we hope to see you in the middle very soon!
